Each team has 18 guys – broken into 3 flights and playing a round-robin net better ball match play inside that flight. By way of example:

- (3) 2-man teams in the A Flight for each club – one of those teams plays each of the other clubs
- 3 point format – front 9/back 9/total are each worth a point
- Scorecards will be printed indicating the number of strokes given/received
- Team with most points at the end of the afternoon will win
